The name letters should be in a high-visibility colour which contrasts with the predominant colour of the car.

13.3 - the entrants can on no account make any modification(s) to the shape, the dimension or the contents of these sets of numbers under pain of disqualification. Special cases will be discussed on a case per case basis.

13.4 - The Organiser shall be responsible for allocating the Start Numbers.

13.5 - At the end of the event, before leaving the Parc Fermé, the numbers of vehicles must be removed.

13.6 - One space on each Front Door of the vehicle (67cm x 17cm) situated 10cms beneath the Door Panel.

14 - Advertising

14.1 - The competitors are allowed to deal directly and freely with the advertiser. Their mutual commitments should conform to the National Sporting Code and these General Regulations.

14.2 - The advertisement is authorised on the clothes of the drivers on the conditions foreseen in article 14.1, *here above*.

14.3 - The used places for that purpose are free with the exception of those reserved for the competition numbers, the logo of the Championship as well as that of the organisers.

14.4 - Competitors are allowed to affix any kind of advertising to their vehicles, provided that:

- a) It is not likely to give offence,
- b) It does not encroach upon the spaces defined below reserved for plates, race numbers and windscreen strips,
- c) It does not interfere with the crew's vision through the windows.
- d) **The advertising of political, religious and/or social material is strictly forbidden.** Any breach of this rule will be reported and may result in a penalty, at the discretion of the Stewards, which may go as far as disqualification.

14.5 - Optional Advertising, provided by the organisers:

- 10 cm. on the upper part of the windscreen.
- One space on each Front Door of the vehicle (67cm x 17cm) situated 10cms beneath the Door Panel.

15 - Track behaviour, flag signals

15.1 - It is strictly forbidden to drive a vehicle across or in the opposite direction to the direction of the race, unless instructed to do so by the marshals or the clerk of the course. Any breach of this regulation shall result in disqualification.

15.2 - If a driver is obliged to stop his heat owing to mechanical failure or other problems, he must immediately park his vehicle away from the track and leave it, and abide by the instructions given by the track marshals.

15.3 - The following flag signals can and/or may be used during practice and the race, and must be strictly observed:

- Start Lighting System.
- Red flag Stop immediately and definitively.
- Yellow flag Danger, slow down.

Flags will be used in the posts of surveillance by the track officials and can be presented steady or agitated.

The fact of presenting an agitated flag stresses the meaning related to the flag given.

V - ADMINISTRATIVE CHECKS AND SCRUTINEERING

16 - Administrative checks and Scrutineering

16.1 - Administrative checks:

- All competitors and drivers taking part in the Speed Test must report for administrative checks in person with their cars in their precise scheduled time as shown on the list displayed on the notice board.
- The administrative checks will consist of checking the following:
- Control of the registration and the characteristic data of the car (brand, model, category, group, engine capacity, etc...).
- Control of the competitors' driving licences, competition licences, its validity for the current year, car and medical insurance, etc. for both local and foreign.
- Foreign entrants must also present written authorisation from their ASN if this was not enclosed with their entry.
- Those who have passed the administrative checks and having received the approval signed by the officials can present their car to scrutineering in accordance with the published timetable as shown on the official notice board.

16.2 - Scrutineering:

Vehicles must be presented to the scrutineering not towed and/or transported with engine running. The following should be observed:

- Entrants are obliged to accompany their vehicle at scrutineering, so that identification and safety checks can be carried out.
- The homologation form for the homologated and the vehicles whose homologations have expired, refer to article 6.3 of these regulations, must be presented on request. Otherwise, scrutineering may be refused.
- Entrants reporting for scrutineering after their scheduled time shall be liable to a penalty which may go as far as disqualification, at the stewards' discretion.
- The stewards may decide to allow the vehicle to be scrutineered if the competitor/driver can prove that their late arrival was due to force majeure. • **Pro cars will be scrutinized only once at the beginning of the season or at the first participation. However, additional checking of the drivers and/or the vehicle may be carried out at any time during a running event.**

VI - RUNNING OF THE EVENT

17 - Arraying of the start line

17.1 - Drivers must place themselves at the disposal of the clerk of the course at least one hour before the start. The drivers shall accept the consequences should they be unaware of any conditions or modifications to the timetable which might be decided prior to the start.

17.2 - The drivers shall take their place at the "Start" area in a due time assigned by the event officials, time keepers and/or marshals. Any driver who fails to report to the "Start", at his given starting time, will be reported to the Stewards who may impose penalties which may go as far as disqualification.

18 - Start, finish, timekeeping

- 18.1 - The start will take place individually for each driver with the vehicle stationary and the engine running. The minimal interval between the starts will depend on the length the course.
- 18.2 - The Clerk of the Course may, with the knowledge of the Stewards, reposition the drivers or change the Start Time interval between cars.
- 18.3 - No vehicle may take the start outside its own Group unless expressly authorised to do so by the Clerk of the Course.
- 18.4 - Any vehicle which has triggered the timing apparatus shall be considered as having started, and shall not be granted a second start.
- 18.5 - Any refusal or delay in starting of more than 20 seconds shall result in disqualification from the heat run.
- 18.6 - The finish shall be a flying finish. The heat ends when the vehicle crosses the finish line; as soon as this is done, the vehicle must reduce speed drastically.
- 18.7 - Timing shall be carried out using photoelectric cells accurate to at least 1/100 of a second.

19 - The race

- 19.1 - The Track will stay unrevealed until the race due date. The drivers will be allowed to walk through the course 30 minutes before the start. No trials are allowed. Practicing before the event will lead to the disqualification of the competitor. On some Tracks, instead of walking, a Recce by car may be allowed.
- 19.2 - Three timed runs will be held & the best time will be recorded for the final results.
- 19.3 - The clerk of the course based on the decision of the stewards may authorise the drivers whom are stopped on the course due to unknown problems to take another start. No objection will be admitted regarding this subject. All drivers during the heats should abide by all regulations indicated and the decisions taken by the clerk of the course.
- 19.4 - A general briefing will be held as previously scheduled in bulletins. The presence of all drivers is compulsory.
During the briefing the competitors will receive the latest instructions concerning the event.
- 19.5 - Illegal assistance on the track is **PROHIBITED**.
